## Linkages to County-Level Strategic Plans

Public Health & Safety Objectives	
<b>Allen PH.1.4</b>	By 2027, support local and regional efforts for mental health facilities/services and/or day treatment programs.
<b>Butler PH.31.</b>	By August of 2022, coordinate with LifeSkills to identify gaps in mental health services in Butler County for the purposes of seeking out programming, services, and/or funding to mitigate those gaps.
<b>Logan PH.3.1</b>	By January of 2024, develop a listing of healthcare providers in Logan County to determine gaps in service and create a community directory.
<b>Warren PH.1.4</b>	By February of 2024, create a database of translated material relating to emergency services vital information.
<b>Warren PH.2.1</b>	By January of 2024, develop and deploy a recruitment campaign for public and mental health providers and personnel to meet community demand including evaluating needed services and existing services to identify gaps and begin seeking mitigation measures to fill those gaps.
Public Facilities & Services Objectives	
<b>Edmonson PF.2.1</b>	By January of 2023, develop a substance abuse support group for abusers and family members.
<b>Edmonson PF.2.2</b>	By January of 2024, develop a mental health support group.
<b>Edmonson PF.2.4</b>	By January of 2025, establish a committee to address the lack of social, substance abuse and mental health facilities in Edmonson County.
<b>Edmonson PF.2.5</b>	By January of 2025, create an education campaign for the public on limitations of EMS and mental health.
<b>Hart PF.2.1</b>	By June of 2023, develop a legislative agenda to diversify availability of involuntary mental health evaluation in the county.
Housing Objectives	
<b>Hart H.2.1</b>	By January of 2024, search for interest among community partners in creating non-profit recovery housing and services for local residents of Hart County.
Civic & Leadership Development Objectives	
<b>Hart L.2.4</b>	By January of 2023, create a committee in order to provide educational initiatives for personal care and health, hazards, solid waste management, etc. (Also Supports PH.3)
