

## Master Listing Objectives

### Affordable Quality Housing

Name	Objective	County	Total Project Cost	Energy Communities Funding Source	Other Possible Funds	Hazard Goal(s)	FEMA Priority Score	Community Priority Score
Metcalfe H.1.7	By April of 2024, seek out funding for the construction of transient/emergency housing in Metcalfe County.	Metcalfe		USDA Loan to Owner/Renter  Homeless Veterans' Reintegration Program (HVRP), Incarcerated Veterans' Transition Program (IVTP), and the Homeless Women Veterans' and Homeless Veterans' with Children Reintegration Grant Program (HWVHWC)				
Butler H.2.2	By January of 2025, identify areas in the county that would be most appropriate to accept residential expansion from Bowling Green and residential multicultural housing neighborhoods in order to plan for smart growth in those areas, increase infrastructure in those areas, and encourage residential development in areas where infrastructure and public services exist and have capacity.	Butler		USDA Loan to Owner/Renter			Medium (0-3)	Low (1)
Barren H.1.6	By December of 2027, increase opportunities in Cave City for housing developments.	Barren		USDA Loan to Owner/Renter				
Monroe H.1.4	By December of 2027, seek funding to construct affordable housing options and establish a land bank for future development opportunities.	Monroe		USDA Loan to Owner/Renter				
Warren H.1.6	By December of 2027, purchase and remove repetitive flood loss homes as needed.	Warren		USDA Single Family Housing Rural Disaster Home Repair Grants	FEMA Hazard Mitigation Funds	1.1, 2.1, 3.1	Very High (6)	Medium (2)

### Downtown Development

Name	Objective	County	Total Project Cost	Energy Communities Funding Source	Other Possible Funds	Hazard Goal(s)	FEMA Priority Score	Community Priority Score
Monroe DT.1.3	By December of 2025, explore best practices for running downtown power lines underground. (Also Supports I.2, and TCD.1)	Monroe		Electric and Telecommunications Loans	TVA, EDA, ARC, TAP, PlanningGrant	2.1, 2.2	High (4-5)	High (3)
Warren DT.1.1	By July of 2023, work with each incorporated community in Warren County to identify and prioritize connectivity and walkability measures to and from downtown areas, including identifying barriers to developing infrastructure improvements such as greenways, sidewalks, bike paths, or multi-use paths. (Also Supports T.1)	Warren		Neighborhood Access and Equity Grant Program	nofundingsources, PlanningGrant	1.1, 1.2	Medium (0-3)	High (3)

### Economic Development

Name	Objective	County	Total Project Cost	Energy Communities Funding Source	Other Possible Funds	Hazard Goal(s)	FEMA Priority Score	Community Priority Score
Butler ED.1.4	By December of 2027, extend necessary infrastructure to the area behind McDonald's to encourage additional development and economic growth.	Butler						
Logan ED.1.4	By December of 2027, develop additional areas for industrial parks including running necessary infrastructure to these areas and expanding transportation systems to serve these areas.	Logan						
Warren ED.2.4	By December of 2027, develop additional land at the Transpark to include support service providers such as childcare facilities and residential housing developments.	Warren						
Hart ED.2.3	By December of 2027, seek funding to construct a new extension office/campus that could potentially combine with Head Start and other services.	Hart		USDA Community Facilities Direct Loan & Grant Program				

Infrastructure

Name	Objective	County	Total Project Cost	Energy Communities Funding Source	Other Possible Funds	Hazard Goal(s)	FEMA Priority Score	Community Priority Score
Allen I.1.1	By January of 2025, greatly reduce issues with infiltration in the sewer system and enhance sewer coverage by 70%.	Allen			KIA, ARPACleanWater	1.1, 1.3, 1.4, 1.6, 2.2	Medium (0-3)	High (3)
Allen I.1.5	By December of 2027, repair and replace pump stations, manholes, and sewer collection lines in the northern area of the City of Scottsville.	Allen		USDA: Water and Wate Disposal Loans and Grants				
Allen I.2.1	By December of 2024, replace existing or install new water lines in North Allen county with larger diameter pipes to conduct a vulnerability assessment of critical infrastructures to determine needs and prioritize actions including, but not limited to, reviewing existing water service delivery systems to eliminate breaks and leaks and determining the need for relocating utilities in public buildings above the base flood elevation.	Allen		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund WaterSMART Grants: Water and Energy Efficiency Grants for Fiscal Year 2024	USDA, local, KIA, PlanningGrant	1.1, 1.3, 1.4, 2.2, 5.2	Very High (6)	High (3)
Allen I.2.4	By December of 2027, construct a new natural gas distribution station to better serve the industrial park.	Allen		FY 23 Natural Gas Distribution Infrastructure Safety and Modernization Grants				
Allen I.2.5	By December of 2027, repair and replace natural gas distribution lines throughout the City of Scottsville as most recent lines were placed in the 1970s.	Allen		FY 23 Natural Gas Distribution Infrastructure Safety and Modernization Grants				
Edmonson I.2.2	By January of 2023, conduct a study for an alternative water intake system at Edmonson Water Treatment Plant if water drops after the lock is removed.	Edmonson		Drinking Water System Infrastructure Resilience and Sustainability Program  Emergency Community Water Assistance Grants (WEP)  WaterSMART Planning and Project Design Grants For FY 2023 and FY 2024	CDBG, KIA, PlanningGrant	1.3, 1.6	Medium (0-3)	High (3)
Edmonson I.2.6	By December of 2027, conduct a feasibility study for Brownsville Water to explore options for expansion or relocation of an expanded facility in order to increase capacity to account for future growth.	Edmonson		WaterSMART Grants: Water and Energy Efficiency Grants for Fiscal Year 2024	CDBG, local, KIA, EDA, ARC, USDA:RD, PlanningGrant	1.1, 1.3, 1.6, 2.2	Medium (0-3)	High (3)
Butler I.1.1	By December of 2024, evaluate existing water systems to create an inventory of needs regarding construction, maintenance, improvement, and expansion in order to provide potable water and fire protection to all citizens of the community and to ensure the capacity to accommodate economic development and growth in the community. This should include running new water lines to areas of Butler County currently without water service and areas reliant on well, spring, rain water collection, or hauling in water to meet residential needs.	Butler	\$1.4m	Drinking Water System Infrastructure Resilience and Sustainability Program  Emergency Community Water Assistance Grants (WEP)  WaterSMART Grants: Water and Energy Efficiency Grants for Fiscal Year 2024	USDA, CDBG, KIA, EDA, PlanningGrant	1.1, 1.3, 1.4, 2.2, 5.2	High (4-5)	High (3)
Butler I.1.2	By December of 2024, evaluate existing wastewater systems in order to provide service to all residents, protect the environment, and to accommodate development and growth in the community, including, but not limited to, extending sewer to areas currently lacking service throughout Butler County.	Butler			USDA, CDBG, KIA, EDA	1.1, 1.3, 1.4, 2.2, 5.2	High (4-5)	High (3)
Barren I.2.5	By December of 2027, strengthen the electrical grid through installation of underground powerlines, redundancy, and loopfeeds, where feasible.	Barren		Electric and Telecommunications Loans	USDA, CDBG	1.3, 1.4	Very High (6)	High (3)
Barren I.2.9	By December of 2027, seek funding for the expansion of the Water Treatment Plant to serve Allen, Metcalfe, Warren, and Barren counties.	Barren	\$65m	Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund  WaterSMART Grants: Water and Energy Efficiency Grants for Fiscal Year 2024				

Barren I.2.10	By December of 2027, extend necessary utilities from Hwy90 to the loop (68/80) to promote development in that area.	Barren		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund				
Simpson I.2.1	By December of 2027, seek funding for upgrades to the wastewater collection system at the sewer plant.	Simpson			CDBG, KIA, FEMA	1.3	High (4-5)	High (3)
Monroe I.3.6	By October 16, 2024, comply with the EPA Lead and Copper Rule, and all revisions, to compile a Lead Service Line Inventory.	Monroe		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund				
Simpson I.2.2	By December of 2027, seek funding for rehabilitation for water distribution system.	Simpson		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund  WaterSMART Grants: Water and Energy Efficiency Grants for Fiscal Year 2024	CDBG, KIA, FEMA	1.3	High (4-5)	High (3)
Monroe I.3.7	By December of 2027, install new water mains in Gamaliel.	Monroe		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund				
Logan I.1.5	By January of 2026, conduct a feasibility study of natural gas in the county and develop a plan to expand services to underserved areas, where feasible, including running lines from west of Logan County across to Warren County. Once underserved areas have been identified, seek funding, and begin implementing expansion.	Logan		FY 23 Natural Gas Distribution Infrastructure Safety and Modernization Grants	local	1.3	Very High (6)	High (3)
Logan I.1.8	By December of 2027, explore the feasibility of regionalizing part of the wastewater treatment facilities in Russellville and Lewisburg to ensure the waste generated by development does not exceed the capacity to treat it.	Logan	\$15m	Technical Assistance and Construction for Innovative Regional Wastewater Treatment Solutions (TAC-RWTS) Grant Pilot Program				
Logan I.1.9	By December of 2027, make improvements at all wastewater treatment facilities throughout the County to comply with EPA PFAS regulation.	Logan						
Logan I.2.2	By December of 2025, strengthen the electrical grid of Logan County by evaluating areas that would benefit from buried power lines, determining the need of installation of loopfeeds and redundancies, or working with utility companies to increase frequency of trimming trees away from overhead power lines.	Logan		Electric and Telecommunications Loans	FEMA	1.2, 1.3, 1.4, 2.1, 2.2, 5.1, 5.3	Very High (6)	High (3)
Logan I.2.8	By October 16, 2024, comply with the EPA Lead and Copper Rule, and all revisions, to compile a Lead Service Line Inventory and make a plan for removing Lead Service Lines identified.	Logan		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund				
Logan I.1.10	By December of 2027, upgrade and renovate the wastewater treatment facility in Adairville to ensure the waste generated by development does not exceed the capacity to treat it.	Logan						
Hart I.1.9	By December of 2027, seek out and secure funding to construct a new water treatment facility and upgrade the existing distribution system for the Edmonson Co. Water District which serves Hart Co. residents. (Supports Hart I.2.)□	Hart		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund  WaterSMART Grants: Water and Energy Efficiency Grants for Fiscal Year 2024	CDBG, KIA, FEMA	5.2	Very High (6)	High (3)
Hart I.1.11	By December of 2027, install Natural Gas lines from Elizabethtown to Hart County, and on over to the Horse Cave side of Hart County.	Hart		FY 23 Natural Gas Distribution Infrastructure Safety and Modernization Grants				

Hart I.1.12	By December of 2027, upgrade water lines in Hart County and construct new lines around Horse Cave to meet demand for increased residential, commercial, and industrial growth.	Hart		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund  WaterSMART Grants: Water and Energy Efficiency Grants for Fiscal Year 2024				
Hart I.2.4	By April of 2027, strengthen the electrical grid in Hart County, including, but not limited to, running power lines underground where feasible, installing redundancy and loopholes in power lines, etc.	Hart		Electric and Telecommunications Loans	FEMA	1.3, 1.4	High (4-5)	High (3)
Edmonson I.2.9	By December of 2027, seek out and secure funding to construct a new water treatment facility and upgrade the existing distribution system for the Edmonson Co. Water District which serves Hart Co. residents.	Edmonson		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund  WaterSMART Planning and Project Design Grants For FY 2023 and FY 2024	CapitalGrant			
Edmonson I.2.10	By December 2027, construct a new regional water treatment and distribution system to serve Edmonson, Hart, and Grayson County.	Edmonson		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund  WaterSMART Planning and Project Design Grants For FY 2023 and FY 2024				
Warren I.2.11	By December of 2027, construct a transmission line across Warren County from Muhlenberg County to service the needs of residential and industrial growth across the county.	Warren	\$100m	Electric and Telecommunications Loans				
Edmonson I.2.11	By December of 2027, purchase zone meters for the Edmonson County Water District.	Edmonson		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund				
Warren I.2.12	By December of 2027, construct a natural gas line from Halfway, KY through to Warren County.	Warren	\$100m	FY 23 Natural Gas Distribution Infrastructure Safety and Modernization Grants				
Allen I.2.6	By October 16, 2024, comply with the EPA Lead and Copper Rule, and all revisions, to compile a Lead Service Line Inventory.	Allen		Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund				
Warren I.2.13	By December of 2027, identify needed upgrades to the water and wastewater treatment systems servicing Warren County and begin seeking out funding to make those upgrades.	Warren	\$110k	Clean Water State Revolving Fund  Safe Drinking Water State Revolving Fund  Emergency Community Water Assistance Grants (WEP)				
Allen I.1.6	By December of 2027, complete the HWY 101 WSI Bridge Hollow Road	Allen		Clean Water State Revolving Fund				

Public Facilities & Services

Name	Objective	County	Total Project Cost	Energy Communities Funding Source	Other Possible Funds	Hazard Goal(s)	FEMA Priority Score	Community Priority Score
Allen PF.1.4	By December of 2027, seek out funding to complete phase two of the Allen County Recreational Park.	Allen						
Allen PF.2.4	By December of 2027, work with the Core of Allen County to construct a major athletic/community center expansion to serve residents and visitors to Allen County.	Allen	\$5m	USDA Community Facilities Direct Loan & Grant Program				
Metcalfe PF.1.3	By January of 2024, research the feasibility and funding options for the construction of an accessible public restroom facility near the square.	Metcalfe			USDA, local, PrivateInvestment, ARC, PlanningGrant, CapitalGrant	N/A	Medium (0-3)	High (3)
Butler PF.2.2	By December of 2024, complete a feasibility study for a countywide wellness center.	Butler		USDA Community Facilities Direct Loan & Grant Program		1.1	Medium (0-3)	High (3)
Butler PF.1.6	By December of 2027, seek out funding to repair, replace, or expand infrastructure as needed at the regional jail.	Butler						
Barren PF.2.4	By December of 2027, construct an AG Expo Center in Barren County.	Barren	\$38m					
Barren PF.2.5	By December of 2027, construct a sports complex in Barren County.	Barren	\$35m					
Barren PF.2.6	By December of 2027, seek funding to construct an indoor recreation facility/aquatic center for the city of Glasgow.	Barren		USDA Community Facilities Direct Loan & Grant Program				
Barren PF.2.7	By December of 2027, seek funding to construct an amphitheater in the city of Park City.	Barren	\$3.2m					
Barren PF.2.8	By December of 2027, seek funding to revamp/expand the Cave City Recreational Park.	Barren						
Simpson PF.1.3	By December of 2025, evaluate the need for care facilities and services for all ages in Franklin and Simpson County.	Simpson					Medium (0-3)	Medium (2)
Logan PF.1.2	By December of 2026, identify opportunities for establishing an indoor recreation facility for Logan County that could also double as a county-wide storm shelter.	Logan		USDA Community Facilities Direct Loan & Grant Program  FEMA	USDA, CDBG, local, PlanningGrant, CapitalGrant	N/A	Low (-1 to -6)	High (3)
Logan PF.2.4	By December of 2027, complete energy savings upgrades in county and city-owned buildings and facilities throughout Logan County and each incorporated City including making improvements to HVAC systems, water service systems, power supplies, lighting, increasing insulation, and other energy-saving activities.	Logan		Energy Efficiency and Conservation Block Grant Program				
Hart PF2.4	By January 2027, explore opportunities for a YMCA or similar facility in Munfordville.	Hart			CDBG, CapitalGrant	N/A	Medium (0-3)	High (3)
Monroe PF.3.4	By December of 2027, construct a new arts center in Monroe County.	Monroe						
Warren PF.1.7	By December of 2027, construct an addition to SKyPAC.	Warren	\$8.5m					
BRADD PF.2.5	By July 2025, construct a single point of entry facility that can serve as a 'front door' for an advanced crisis services system for the Barren River Area Development District. The facility would have the capability to accept, hold, assess, treat and refer persons in crisis across the acuity continuum, including those experiencing substance use disorders.	BRADD	\$20m	[These are all for operating costs, not construction of facility]  Investments Supporting Partnerships In Recovery Ecosystems (INSPIRE) Initiative  Drug-Free Communities Support Program  State Opioid Response (SOR)/Tribal Opioid Response (TOR) Technical Assistance  Opioid-Impacted Family Support Program (OIFSP)  Rural Opioid Technical Assistance Regional Centers  Comprehensive Opioid Recovery Centers				

Public Health & Safety

Name	Objective	County	Total Project Cost	Energy Communities Funding Source	Other Possible Funds	Hazard Goal(s)	FEMA Priority Score	Community Priority Score
Metcalfe PH.1.1	By April of 2024, seek out funding for the construction of transient/emergency housing in Metcalfe County.	Metcalfe		USDA Community Facilities Direct Loan & Grant Program  Homeless Veterans' Reintegration Program (HVRP), Incarcerated Veterans' Transition Program (IVTP), and the Homeless Women Veterans' and Homeless Veterans' with Children Reintegration Grant Program (HWVHVWC)	FEMA, KOHS, KYEM, PlanningGrant, CapitalGrant	1.1, 4.1, 4.2, 4.3, 6.1, 6.2	Very High (6)	High (3)
Edmonson PH.2.7	By December 2027, construct a new EMS building to be able to house all ambulances as the current facility can only house 3 out of 5 existing vehicles.	Edmonson						
Butler PH.2.7	By January of 2027, establish a county-wide emergency operations center to consolidate emergency response offices including 911 Dispatch, Butler Co. Rescue Squad, and the Emergency Management Office.	Butler						
Barren PH.1.2	By April of 2024, seek out funding for the construction of transient/emergency housing in Barren County.	Barren		USDA Community Facilities Direct Loan & Grant Program  Homeless Veterans' Reintegration Program (HVRP), Incarcerated Veterans' Transition Program (IVTP), and the Homeless Women Veterans' and Homeless Veterans' with Children Reintegration Grant Program (HWVHVWC)	FEMA, KOHS, PlanningGrant, CapitalGrant	5.3	Very High (6)	High (3)
Barren PH.1.4	By December of 2027, seek funding for the construction of a regional opioid/recovery ready/ "life learning" center in Barren County.	Barren		Investments Supporting Partnerships In Recovery Ecosystems (INSPIRE) Initiative [for operating costs, not construction of facility]				
Monroe PH.1.7	By December of 2027, construct a new Fire Station for the Tompkinsville Volunteer Fire Department.	Monroe						
Monroe PH.1.8	By December of 2027, seek funding for the construction of tornado-resistant storm shelters for Tompkinsville, Fountain Run, and Gamaliel.	Monroe						

Simpson PH.1.3	By April of 2024, seek out funding for the construction of transient/emergency housing in Simpson County.	Simpson		USDA Community Facilities Direct Loan & Grant Program  Homeless Veterans' Reintegration Program (HVRP), Incarcerated Veterans' Transition Program (IVTP), and the Homeless Women Veterans' and Homeless Veterans' with Children Reintegration Grant Program (HWVHVWC)	FEMA, PlanningGrant, CapitalGrant	1.1	High (4-5)	High (3)
Simpson PH.2.4	By December of 2027, construct an Opioid Treatment and Mental Health Center in Simpson County to combat the ongoing opioid epidemic.	Simpson		Investments Supporting Partnerships In Recovery Ecosystems (INSPIRE) Initiative [for operating costs, not construction of facility]				
Hart PH.1.8	By December of 2027, seek funding to construct an opioid response center similar to the "Life Learning Center" in Hart County.	Hart	\$1.3m for operational costs	Investments Supporting Partnerships In Recovery Ecosystems (INSPIRE) Initiative [for operating costs, not construction of facility]				
Warren PH.2.3	By January of 2027, construct tornado resistant storm shelters in schools and outlying communities to ensure Warren County's population has adequate access to shelters during hazard events.	Warren						
Warren PH.3.16	By December of 2027, purchase mobile medium-sized generators for powering critical needs facilities in times of extended power outages.	Warren	\$400k	All Hazards Energy Resilience	FEMA, EnergyGrantsFEMA			

Tourism & Cultural Development

Name	Objective	County	Total Project Cost	Energy Communities Funding Source	Other Possible Funds	Hazard Goal(s)	FEMA Priority Score	Community Priority Score
Edmonson TCD.1.4	By December 2027, seek out funding to establish a historic record archive including purchasing/constructing a facility to maintain records and memorabilia, digitizing records, and developing related curricula that could be utilized in local school lessons.	Edmonson						
Hart TCD.2.6	By December of 2027, look into expanding Hidden River Cave and implementing accessibility improvements.	Hart						
Hart TCD.2.7	By December of 2027, seek funding to establish a Native Art Gallery & Museum in Hart County including the purchasing of a building and making any necessary building renovations (including ADA accessibility improvements).	Hart						

Transportation

Name	Objective	County	Total Project Cost	Energy Communities Funding Source	Other Possible Funds	Hazard Goal(s)	FEMA Priority Score	Community Priority Score
Allen T.2.12	By December of 2027, purchase an electric bus and install electric vehicle charging stations in the City of Scottsville.	Allen	60k for charging station	Bus: BIL Provision: Enhanced Mobility of Seniors and Individuals with Disabilities Program				
Allen T.2.13	By December of 2027, seek funding to rebuild State Road 101 in Allen County from Scottsville to Smiths Grove.	Allen		BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)  Infrastructure For Rebuilding America (INFRA) Grants				
Edmonson T.1.2	By December of 2022, create an inventory of susceptible culverts, roads and bridges in order to implement corrective measures and review inventory annually thereafter.	Edmonson		BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)  Infrastructure For Rebuilding America (INFRA) Grants	local, KYTC, FEMA, PlanningGrant		Very High (6)	High (3)
Edmonson T.1.6	By December of 2027, develop a plan to build an additional bridge across the Green River and refurbish the existing bridge.	Edmonson		BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)  Infrastructure For Rebuilding America (INFRA) Grants	KYTC, FederalInfrastructureGrants, PlanningGrant, CapitalGrant		Very High (6)	Medium (2)
Butler T.2.2	Using agenda developed in T.2.1, continue to promote the construction of an interchange @ U231/I-165 around Hadley.	Butler		BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)  Infrastructure For Rebuilding America (INFRA) Grants	CapitalGrant			
Barren T.4.1	By December of 2027, make needed improvements to the Glasgow Airport including the underground fuel system, T hangers, and a new terminal building.	Barren		BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)  Infrastructure For Rebuilding America (INFRA) Grants				
Simpson T.1.5	By December of 2023, work with KYTC to develop a plan for improvements on Highway 585, including straightening of the Lick Creek Bridge and additions of turn lanes at Highways 73/100.	Simpson		BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)  Infrastructure For Rebuilding America (INFRA) Grants	local, KYTC, FEMA, PlanningGrant, CapitalGrant	1.1, 1.2	Very High (6)	High (3)
Simpson T.1.8	By December of 2023, work with KYTC and City and County representatives to plan for a feasible completion of Highway 1008 to the northwest to serve as an alternate transportation route for Simpson County and to determine if a true bypass is needed in Franklin.	Simpson		BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)  Infrastructure For Rebuilding America (INFRA) Grants	KYTC, PlanningGrant, CapitalGrant	1.1, 1.2	High (4-5)	Low (1)

Logan T.1.2	By January of 2030, work with KYTC to create and complete projects that will improve existing transportation corridors for current and future economic development including adding streets where necessary throughout the county and each incorporated city. (Also Supports ED.1)	Logan		<p>BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)</p> <p>Infrastructure For Rebuilding America (INFRA) Grants</p>	local, KYTC	N/A	Medium (0-3)	High (3)
Logan T.1.10	By December of 2027, work with KYTC to US 77 Hwy to better serve Logan County and its residents.	Logan		<p>BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)</p> <p>Infrastructure For Rebuilding America (INFRA) Grants</p>				
Hart T.1.7	By December of 2027, work with KYTC to reduce traffic backup at the intersection of Highway 357 and Highway 31W, particularly when school is in session by adjusting the traffic light pattern to allow for a green arrow light only for southbound traffic on 31W long enough to allow vehicles turning left to do so before they must yield to the northbound 31W traffic.	Hart		BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)				
Hart T.1.8	By December of 2027, repair and repave Highway 88 coming into Munfordville to improve safety for motorists traveling this route.	Hart		BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)				
Hart T.1.9	By December of 2027, work with KYTC to explore the feasibility of a bypass around Munfordville to provide additional access points to both the City and I-65 in times of emergency.	Hart		BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)				
Warren T.1.3	By December of 2027, maintain and improve airport runway infrastructure to accommodate at least Category C aircrafts and increase Fire Rescue ARF from A to B since Bowling Green is the designated federal center for a New Madrid earthquake.	Warren		Innovative Finance and Asset Concessions Grant Program	LocalFunds, CapitalGrant	1.1, 1.2	High (4-5)	High (3)
Warren T.1.11	By December of 2027, make necessary road improvement projects to better serve the residents and industries located in Warren County.	Warren	\$360m	<p>BIL Opportunity: FY 22 RAISE Grants (Rebuilding American Infrastructure with Sustainability and Equity)</p> <p>Infrastructure For Rebuilding America (INFRA) Grants</p>				
Warren T.1.12	By December of 2027, construct a new hanger and extended taxiway at the airport to accommodate additional flight growth.	Warren		Innovative Finance and Asset Concessions Grant Program				

Workforce Development

Name	Objective	County	Total Project Cost	Energy Communities Funding Source	Other Possible Funds	Hazard Goal(s)	FEMA Priority Score	Community Priority Score
Butler W.1.5	By December of 2027, construct a training facility in Butler County for heavy equipment operators and other workforce training needs as identified by area industries.	Butler						
Butler W.1.6	By December of 2027, construct a new Technical School/Center in Butler County.	Butler						
Barren W.1.3	By December of 2027, seek out funding to build a new campus for SKYCTC, allowing them to expand their classes and services for the betterment of the workforce in the region.	Barren						
Logan W.1.5	By December of 2027, work with schools to build out and expand workforce enrichment programs throughout Logan County.	Logan		BIL 40513: Career Skills Training				
Warren W.1.5	By December of 2027, determine the feasibility of constructing a SKYCTC campus at the Transpark for enhanced Workforce Development and Training Opportunities.	Warren
