About Us

Child Care Aware of Kentucky

Child Care Aware of Kentucky is the statewide regional network for Child Care Resource and Referral (CCR&R) services supporting access to safe, affordable, quality child care for families and professional development for child care providers and trainers.

Child Care Aware of Kentucky is housed at the Human Development Institute at the University of Kentucky. The Human Development Institute is Kentucky's University Center for Excellence in Developmental Disabilities Education, Research and Service. We work on improving lifelong opportunities and services for individuals with disabilities, their families, and the community.

What Can You Do To Assist?

- Consider family friendly policies within the workplaces you have influence.
- Connect CCA with partners interested in learning more – we provide lunch and learns & one-on-one consultations.
- Champion quality child care options within your community – if you know someone who wants to open a child care, send them our way.
- If you know someone influential who could utilize our resources, please spread the word that we are here to help educate the community.
